

Hold Watcha Got

K.T. Oslin

Hold watcha got I'm coming home baby
Hold watch got I don't mean maybe
I've been thinking about you
I'm on my way
I'm gonna sell my house
I'm gonna wreck the car
Stay home honey right where you are
Hold watcha got I'm coming home baby to stay

I changed my mind I have to see ya
It's a purdy good sign that I need ya
That's why I can't wait to get home
See yourself hold on tight
I'll be there before daylight
Hold watcha got I'm coming home baby to stay

Hold watcha got I'm coming home baby
Hold watch got I don't mean maybe
I've been thinking about you
I'm on my way
I'm gonna sell my house
I'm gonna wreck the car
Stay home honey right where you are
Hold watcha got I'm coming home baby to stay

I'm back and I ain't leaving
Been too long and a little too much grieving
That's why I can't wait to come home
We won't fuss we won't fight
This time things are gonna work out right
Hold watcha got I'm coming home baby to stay

Hold watcha got I'm coming home baby
Hold watch got I don't mean maybe
I've been thinking about you
I'm on my way
I'm gonna sell my house
I'm gonna wreck the car
Stay home honey right where you are
Hold watcha got I'm coming home baby to stay

Hold watcha got I'm coming home baby
Hold watch got I don't mean maybe
I've been thinking about you
I'm on my way
I'm gonna sell my house
I'm gonna wreck the car
Stay home honey right where you are
Hold watcha got I'm coming home baby to stay

Gonna sell my house
Gonna wreck my car
Stay home honey if that's where you are
Hold watcha got I'm coming home baby to stay
