

## Oo-Wee

K.T. Oslin

Let's just stay in bed all day  
Don't worry about the bills that we have to pay  
Let's call in sick, let's play hokey all day  
And then let's ooh, ooh-wee

Order in our favorite Chinese food  
Wash it all down with a nice cold brew  
We could watch that good old movie on channel two  
Or we could ooh, ooh-wee

Ooh, ooh-wee in harmony  
How sweet it will be when we ooh, ooh-wee

I'm gonna be a Damsel in distress  
You be the knight in armor that hears my S.O.S.  
Slay that dragon and come rescue me  
Then let's ooh, ooh-wee

Ooh, ooh-wee in harmony  
How sweet it will be when we ooh, ooh-wee  
When we ooh, ooh-wee  
Honey, you and me

Yeah, in harmony  
Let's ooh, ooh-wee  
How sweet it will be  
How sweet it will be
