

Five More Seconds

Kt Tunstall

Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh
Ooh, ooh

Starting to leave
You head for the door
This isn't the first time I've lost you
(Ooh, ooh, ooh)

Why does it feel
I'm losing the war
Just by a shift in your posture

Maybe the walls will crack
And the waves will pull us under
(Ooh, ooh, ooh)
Maybe there's no way back
And I'll forever wonder

Give me five more seconds
'Cause I can't live in this cold and empty mess
And I can't think clearly
The air's so heavy from all the things we said

I won't ever give up
Not gonna be somebody that you let go
Give me a few more seconds
So I can show you that you're
Something worth fighting for

Ooh, ooh, ooh
Ooh
Something worth fighting for

I'm losing count
Of promises made
Looking at you from the door now

It's like you're stranger
I feel I've been played
You know that I hate when we fall out

Remember when we got drunk
And you touched my face and saved me
(Ooh, ooh, ooh)
What if I've got this wrong
And it's not that complicated?

Give me five more seconds
'Cause I can't live in this cold and empty mess
And I can't think clearly
The air's so heavy from all the things we said

I won't ever give up
Not gonna be somebody that you let go
Give me a few more seconds

So I can show you that you're
Something worth fighting for

Worth fighting for
Something worth fighting for
Worth fighting for

And if I'm still inside your head
And if I wake up in your bed
And if you can't walk out that door
Then it's still worth fighting for

Give me five more seconds
'Cause I can't live in this cold and empty mess
And I can't think clearly
The air's so heavy from all the things we said
