

Glamour Puss

Kt Tunstall

Long legs, taking you somewhere
Catch your reflection in a window pane
The universe is startin' to feel ya
Drinking tequila like it's the name of the game

Oh, oh

Well you know it hasn't happened yeah
You're relying on your next cheque
I know that you're a glamour puss
My explanation's useless
And you choo-choo on the roof
In your beautiful high heeled shoes
Miss glamour glamour puss

Baby, blindfold
Riding a motorcycle
Through a hoola hoop
Sounds like dust on you record
Showing the pressure
I do a loop de loop de loop de loop

Oh, oh

Well you know it hasn't happened yeah
You're relying on your next cheque
I know that you're a glamour puss
My explanation's useless
And you choo-choo on the roof
In your beautiful high heeled shoes
Miss glamour glamour puss

Push a little longer
Dance a little harder
Never give yourself away
Love a little less
To keep yourself together
Everything'll come your way

(Yeah yeah)
Push a little longer
Dance a little harder
(Yeah yeah!)
Never give yourself away
(Yeah yeah)
Love a little less
To keep yourself together
(Yeah yeah!)
Everything will come your way

Oh, oh

(Yeah yeah)
Well you know it hasn't happened yeah
(Yeah yeah!)
You're relying on your next cheque
(Yeah yeah)

I know that you're a glamour puss
(Yeah yeah!)

And my explanation's useless, useless

(Yeah yeah)

Well you know it hasn't happened yeah
(Ooh ooh)

You're relying on your next cheque
(Ooh)

I know that you're a glamour puss
(Ooh ooh)

And my explanation's useless

And you choo-choo on the roof
(Ooh ooh)

In your beautiful high heeled shoes
(Ooh ooh)

Miss glamour glamour puss
Glamour glamour puss
Oh oh oh yeah oh oh yeah
