

# John The Conqueror

Kt Tunstall

Devil's saying: John, if you want your life  
Plow, reap and sow this in one day  
She whispered: Don't you listen, baby, 'cause  
He'll take your life anyway

John was a prince in worker's chain  
But that mean Devil never take his crown  
Shifted to the shape of a midnight stallion  
Left his spirit in root in the ground

Summoning the power of John the Conqueror  
Running wild with the Devil's daughter  
I got your root but your soul's in Africa  
Heart-lifter  
Shape-shifter

Oh, be your name in the air I breathe  
Live in my veins, so dark and red  
Know whenever I'm in need  
Feel your spirit around my neck

Summoning the power of John the Conqueror  
Running wild with the Devil's daughter  
I got your root but your soul's in Africa  
Heart-lifter  
Shape-shifter

(I'm summoning)  
(I'm summoning you)  
(I'm summoning)  
(I'm summoning you)  
(I'm summoning)  
(I'm summoning you)

Oh, summoning the power of John the Conqueror  
Running wild with the Devil's daughter  
I got your root, but your soul's in Africa  
You shape-shifter

(I'm summoning)  
(I'm summoning you)  
(I'm summoning)  
(I'm summoning you)  
(I'm summoning)  
(I'm summoning you)

Summoning the power of John the Conqueror  
Running wild with the Devil's daughter  
I got your root but your soul's in Africa  
You heart-lifter  
Shape-shifter
