

Miracle

Kt Tunstall

Remember we'd always see
The end as the enemy
Now we know it isn't so
I've started to realize
You've been giving me good advice
About where we go
And if I ever need you you'll be there
In the end

Like a miracle, a miracle
Maybe when we leave it's a rise and not a fall
Is it possible, it seems so real?
I'm sure that I can see the stars in your eyes

When there's mortal fragility
And beautiful ability
There must be a reason
To why we all survive and feel this alive
Can it be that we all have a key to this universe?
I'm searching for a way to reach that height
A way to fly

Like a miracle, a miracle
Maybe when we leave it's a rise and not a fall
Is it possible, it seems so real?
I'm sure that I can see the stars in your eyes

Even as I know
To trust and let it go
I still fight it, fight it
And now I am alone
A feeling in my bones
I have no defense against this love

For it's a miracle, a miracle
Maybe when we leave it's a rise and not a fall
Is it possible, it seems so real?
I'm sure that I can see the stars in your eyes

It's a miracle, a miracle
See these patterns emerge of our love
It's incredible, so beautiful
The purpose of this love for it shines
