

Heaven

Kuami Eugene

Oh yeah yeah

Eh!

I act to see if I'm better than you
I'm so proud and I don't feel bad for the things that I do
And I know that you know that I knew
That for all I've sinned, and fallen short of your glory

I knew I should have stayed right here
But I was selfish and thought I had a great idea woooo ohh
Now I'm pleading, forgive me
'Cause I fear I may go to hell
You know I am trying
Oh Lord I am trying
Wanna be holy to you

I know you know I don't deserve Heaven
But Lord I need a very holy ending
For my soul, for my soul
'Cause if I die today and I don't wake up
Supposing I die today and I don't wake up
Will I go to Heaven (Heaven, Heaven)
Will I go to Heaven (Heaven, Heaven)
Will I go to Heaven (Heaven, Heaven)
Will I go to Heaven (Heaven, Heaven)
Oh yeah (Heaven, Heaven)

I barely go to church
I barely say my prayers
But I'm always having fun
I'm working for the paper
The world is changing
The world is changing no no no no
Now nobody have no time to renew souls
But everybody wanna have a brand new phone yeah
We spend more time on the internet
And we spend a very little time with the Bible
When I think of this I cry
'Cause I know one day we will die
Oh no no no no no no
Oh no no no no no no, yeah

I know you know I don't deserve Heaven
But Lord I need a very holy ending
For my soul, for my soul
'Cause if I die today and I don't wake up
Supposing I die die die die die die die die, oh
(Heaven... Heaven)
Will I go, will I go to Heaven
(Heaven... Heaven... Heaven)
Will I go, will I go to Heaven
Will I go
God I need an answer, God I need an answer
Ooh yeah
Ooh
(Heaven... Heaven... Heaven)

And I don't wake up
(Heaven... Heaven... Heaven)
