

# How Much Time

Kuba Oms

This life is short  
I don't want to waste no time

Close both your eyes  
Pretend that you're blind today  
Now hold my hand tight  
We'll walk the whole night away  
Tell me your dreams  
I want to hear your everything  
Tell me your dreams  
I just want to know where I fit in  
Do I fit in

How much time  
Have we wasted  
Have we wasted away  
Are we wasting  
Wasting away

I said I'm on fire  
I'm full of desire too  
I want to take on the world mamma  
I want to do it all with you  
All with you  
You're in my dreams  
I think about you all the time  
All the time  
I'm drifting at sea  
Just got to know the bottom line  
Cause you're on my mind

How much time  
Have we wasted?  
Have we wasted away?  
Are we wasting?

I would love to give the beauty of it all  
I would love to feel the sun on my face  
It'll be okay for you and me to be  
It's gonna be okay  
We're gonna make it through the night  
Hold me tight  
Hold me tight

And how much time  
All alone  
How much time  
On our own  
How much time

Have we wasted  
Have we wasted away  
Are we wasted

I said baby c'mon

I said baby c'mon

I've been up all night  
I've been up all night  
I've been up all night  
I've been up all night  
I've been wasted
