

## River Walker

Kublai Khan

Day falls to night  
You've become  
Someone else  
To me now  
In this light  
I can see  
Who you are  
Bleed me out  
Be my god  
Be my last  
Weigh me down  
Hang my head  
Toss me back  
Break me down  
Hate the smell  
Hate the sounds

You're the one that I found  
You and no one else  
You're the one that I found
