

## Hold On

KUČKA

Take yourself back a step  
Let you in the back, oh  
Lost yourself, forgot yourself  
Let you in the back, oh

Hold on, hold on  
Hold on, don't let it go  
Hold on, don't let it go

'Cause we are better, and I feel your arms around my body  
I feel your movements, I'm addicted [?]  
I've never seen your face  
Can't remember your name  
No, I can't meet you outside  
No, I trust you, I don't trust myself, no

Hold on, hold on  
Hold on, don't let it go  
Hold on, don't let it go

Hold on, hold on  
Hold on, don't let it go  
Hold on, don't let it go
