

# Honey

KUČKA

There's a silence we hold between us  
And I know it's because of me  
And, you act cool with your indifference  
But I think I know you better than that  
I owe you apologies  
And, I miss synchronicity  
So, if you can make peace with me  
We can take it from there

'Cause your  
'Cause your

'Cause your body tastes like honey  
'Cause your  
'Cause your body tastes like honey  
'Cause your  
'Cause your body tastes like honey  
'Cause your  
'Cause your body tastes like honey  
'Cause your

'Cause, the night, it brought truth to me  
And the dawnlight is way pretty  
And, we drank under city stars  
Just to realize how small we are  
Do you know what you do to me  
As we walked down the steps to leave?  
Get your fingers try push my sleeve  
And, I lose my breath instantly

'Cause your

'Cause your body tastes like honey  
'Cause your  
'Cause your body tastes like honey  
'Cause your  
'Cause your body tastes like honey  
'Cause your  
'Cause your body tastes like honey  
'Cause your
