

# Honey

KUČKA

Saw but didn't recognise  
You used to keep me at bay  
Used to keep me awake at night  
I messed it up and something changed

There's a silence we hold between us  
And I know it's because of me  
And you act cool with your indifference  
But I think I know you better than that

I owe you apologies  
And I miss synchronicity  
So, if you can make peace with me  
We can take it from there

'Cause your, 'cause your body tastes like honey  
'Cause your, 'cause your body tastes like honey  
'Cause your

Baby, can you [?]  
Love it when I push it, oh

'Cause the night, it brought you to me  
And the dawnlight is way pretty  
And we try to count the city stars  
Just to realise how small we are

Do you know what you do to me  
As we walk down the steps to leave?  
Get your fingers to try to push my sleeve  
And I lose my breath instantly

'Cause your, 'cause your body tastes like honey  
'Cause your, 'cause your body tastes like honey  
'Cause your, 'cause your body tastes like honey  
'Cause your, 'cause your body tastes like honey  
'Cause your
