

One More Night

KUČKA

Caught my attention now
I can't resist when you're around
Tell me you still think 'bout it
One more night but it's the last time

I'm your addiction now
You can't resist when I'm around
I can't help but think about it
One more night but it's the last time

(Ooh)
You're everything I crave (I crave)
(Ooh)
You're everything I crave (I crave)

Hunger for your desire
Body an icon to admire
You don't feel complete without it
One more night but it's the last time

Don't need you to myself
I want a taste and nothing else
Lie awake to dream about it
One more night but it's the last time

And every time we wait
It's better babe, better baby (Oh)
I'm everything you crave
You're wanting (Ooh)
I seen it on your face
You're salivati-, salivating (Oh)
I'm everything you crave
You're wanting (Ooh)

(Ooh)
You're everything I crave (I crave)
(Ooh)
You're everything I crave (I crave)
