KUČKA

Never could dance at your wedding  
Hated to see such a good thing fall  
Never could dance at your wedding  
Never could see what you saw at all

'Cause I swear your eyes speak  
When I know you won't  
Every time he lets you down  
On your face I know  
'Cause I swear your eyes speak  
When I know you won't  
Every time he lets you down  
On your face I know  
On your face I know  
On your face I know  
On your face I know

All your life you  
Never second guessed yourself  
All your life till now  
All my life I  
Knew you as the one to take control

'Cause I swear your eyes speak  
When I know you won't  
Every time he lets you down  
On your face I know  
'Cause I swear your eyes speak  
When I know you won't  
Every time he lets you down  
On your face I know  
On your face I know  
On your face I know  
On your face I know

You know when the skies are turning black  
You know when the rain's about to fall  
Yeah, I'll be the one to have your back  
Yeah, I'll be the one that you can call  
You know when the skies are turning black  
You know when the rain's about to fall  
Yeah, I'll be the one to have your back  
Yeah, I'll be the one that you can call

I'll be here, oh  
I'll be here, oh  
I'll be here, oh  
I'll be here, oh

'Cause I swear your eyes speak  
When I know you won't  
Every time he lets you down  
On your face I know  
'Cause I swear your eyes speak  
When I know you won't  
Every time he lets you down  
On your face I know

On your face I know  
On your face I know  
On your face I know
