

## Be Merciful

Kula Shaker

You can hypnotize me with a glance  
You're the thief to steal away my heart  
I wish I could trust you, but your crooked smile  
Dances on a serpent for your lover's eyes

Be merciful to me  
Cos I'm so long waiting  
Be merciful to me  
Cos I am all alone

You were there before I knew your name  
You could hear me calling out in pain  
I wish I could trust you, but your crooked smile  
Dances on a serpent for your lover's eyes

Be merciful to me  
Cos I'm so long waiting  
(So long waiting)  
Be merciful to me  
Cos I am all alone  
(So long waiting)  
Be merciful to me  
Cos I'm so long waiting  
(So long waiting)  
Be merciful to me  
Cos you are all I know  
(So long waiting)

Oooh  
(So long waiting)  
Ooooh aaah  
Oooh ooooooooh ooooh oh  
So long waiting

So long waiting  
(So long waiting)  
Oh oh oh oh oh oh oh  
So long waiting  
(So long waiting)  
So long waiting  
(So long waiting)  
So long  
(So long waiting)  
(So long waiting)
