

Mountain Lifter

Kula Shaker

Lifter, lifter
Mountain lifter
Lifter, lifter
Mountain lifter
Lifter, lifter
Mountain lifter
Lifter, lifter
Mountain lifter

Take me down to your special place
When the flood comes around
You know I only wanna see your face
Smiling down like a family tree

Shamala...

Come don't say the things are bad
'Cause it can always get worse
And I don't want to be suspicious
Superstitious of a witches curse

Shamala...

Oh ... lift that mountain
Give me some shelter
From the storm
Oh... sounds like thunder

Lifter, lifter
Come on
Lifted, lifted
Bullon Krishna, Krishna
Mountain lifter

See the tempest
See the clouds
See the ice water
Swirling round

I wanna see you
Feel your love
I wanna see you
Lift it up

Shamala...
Lifter, lifter
Come on
Lifted, lifted
Bullon Krishna, Krishna
Mountain lifter
