

## Raagy One

Kula Shaker

I have found the higher ground,  
Rising high above this cycle of confusion  
So guide my eyes between the lines  
All in all I've found,  
There's more to life than losing time,

Losing time  
Oh..that is what we found,  
Waiting for tomorrow  
Oh..that is what we found,  
Waiting for tomorrow,  
Waiting for tomorrow
