

Raining Buckets

Kula Shaker

We read from psalm 23:4
Yea, though I walk through the valley
Of the shadow of death, but
Our choir mistress will like to
Make an announcement

If anyone's got water dripping on their heads
Please use the bucket provide at the end of the pews
I'm afraid
Certain children have been stealing lead-coating
From the church roof
Thank you miss

I can't prove who it is just yet
But I have my suspicion mind
And mark my words
I always get my man
Indeed thank you

Isn't that right, Charley Macep?
And Katty Britwit, hmmm?
Thank you, take care

Thank you
