

Rational Man

Kula Shaker

I'm just a rational man
Trying to understand
Getting burned on the desert sands
A rational man
A rational man

I see a world insane
Impacted in my brain
'Cos I don't think the same as everybody else
No sir, no ma'am, I'm a rational man
I'm a rational man and I do what I can
A rational man...

Keep it rational, man

Flying straight as an arrow
The Magician of the tarot
Lord Narasminghadeva is watching my back

I'll believe it when I see it
And I'll see when I believe it
This reality if under attack

We're going straight down - to the bottom of the burrow
We're going straight down - just like Lewis Carroll
Down the rabbit hole and through the looking glass
Do you really truly want to see the man behind the mask?
I'm a rational man and I do what I can
A rational man...

Rational man, keep it rational, baby
Rational, rational, I'm a rational man
Rational man, keep it rational, baby
Rational, rational, I'm a rational man
Rational man, keep it rational, baby
Rational man, I'm a rational man
Rational man, keep it rational, baby
Rational, rational, I'm a rational man
