Kula Shaker

I'm  
I'm a little snowflake  
Just a little snowflake  
Just a-waiting for Christmas  
Christmas time  
I'm a little snowflake  
Just a little snowflake  
A lonely little snowflake  
A-waiting for Christmas  
Christmas time, time, time  
Oh yeah, oh

All the children singing little donkey  
Well, I can never come out to play  
I'm always too late 'cause the weather's so wonky  
Can have a white Christmas and [?] anyway

I'm  
I'm a little snowflake  
A lonely little snowflake  
Just a-waiting for Christmas  
Christmas time  
I'm a-waiting for Christmas  
Christmas time

I'm a-waiting, yeah  
Snowflake, yeah

Away In A Manger and Three Wise Men  
It's A Wonderful Life is on TV again  
Santa and his elves are looting the shelves  
Your alcoholic uncles having dizzy spells  
An hour-long extension of the worst TV show  
[?] under the mistletoe

Snowflake  
Snowflake  
Snowflake  
Snowflake  
Snowflake, snowflake
