

Song of Love / Narayana

Kula Shaker

Gonna sing the song of love
Just you and I
We can save our world again
Just one day at a time (one day at a time)

Om Namah Narayana
Om Namah Narayana

So strange some folks these days
Locked up inside (all locked up inside)
Well darkness likes to keep them blind
But we'll hold back the tide (we'll hold back the tide)

D'You feel another energy?
I feel a power growing
D'You feel another energy?
I feel a power growing

Feel another energy...

Gonna sing the song of love (gonna sing the song of love)
And shine a light (and shine a light)
We were born to see the dawn
And we'll hold back the tide (we'll hold back the tide)

D'You feel another energy?
I feel a power growing
D'You feel another energy?
I feel a power growing

Om Namah Narayana
Om Namah Narayana
Om Namah Narayana
Om Namah Narayana
Om Namah Narayana
Om Namah Narayana
Om Namah Narayana

Om Namah Narayana
Om Namah Narayana
Om Namah Narayana
Om Namah Narayana Hari Hari
Feel another energy
Feel a power growing
Feel another energy

Om Namah Narayana
Hari Om
