

## Waves

Kula Shaker

When the witching hour comes  
When the demon starts to run  
And in this time of great unrest  
You are loved and darling, you are blessed

And all the boys of Manchester - will be singing today  
And all the ghosts of London town - they'll be driven away  
All the girls in Mexico - gonna make some waves  
Sha-na-na-na-na-na! Gonna makes some waves  
Sha-na-na-na-na-na!

And as we all start to awake  
We can see what's real and what's been baked  
There's a hole up in the roof  
The light is shining in and that's the truth

And the birds of Liverpool - they'll be flying away  
And the bells of Durham town - they'll be ringing today  
All the girls of Tokyo - gonna make some waves  
Sha-na-na-na-na-na! Gonna make some waves  
Sha-na-na-na-na-na! Gonna make some waves  
Sha-na-na-na-na-na!

Oh, I'm going to Manchester  
Oh, deep down in London town  
All the girls in Mexico - gonna make some waves  
Sha-na-na-na-na-na!

Yeah, and the birds of Liverpool - they'll be flying away  
And the bells of Durham town - they'll be ringing today  
And all the girls in Tokyo - gonna makes us some waves  
Sha-na-na-na-na-na! Gonna make some waves  
Sha-na-na-na-na-na! Gonna make some waves  
Sha-na-na-na-na-na! Gonna make some waves  
Sha-na-na-na-na-na! Oh yeah!
