

# Wormslayer

Kula Shaker

Hey now, what do you say  
Gog and Magog, woke up today?  
Hey ho, what do you know  
Now the worm has turned  
Hey you, what you gonna do  
When the ship goes down with the band and crew?  
Woe is me, lost at sea  
But now the worm has turned  
Now the worm has turned

Hey Wormslayer!

Hey ho, how the wind blows  
Though the gale and the hail and snow  
Oh my, open your eyes  
Now the worm has turned  
Hey Wormslayer  
Don't you know –  
Don't you know that they know you're a slayer?  
Hey Wormslayer –  
You're a powerful mind  
Everybody sees that the worm has turned  
Everybody sees that the worm has turned  
Everybody sees that the worm has turned

Hey Wormslayer!

Bish bash boom  
The elephant is in the room  
Hip hooray  
The day has come to slay the worm!
