Kult

This crowd ain't no clean
This crowd is dirty
This crowd ain't no clean
Say and it's so dirty
This crowd smells no good living in it no easy
You can find one man higher, the other on the bottom lays, I say
Y

What price could you pay for the freedom from society?
What price could you pay for the freedom from society?
What price could you pay for the freedom from society?
I say!

In this crowd I can't be with you
You can't be with me, I say
You can find one man higher
Then other on the bottom lays, I say

What price could you pay for a changing your destiny?
What price could you pay for a changing your destiny?
What price could you pay for a changing your destiny?
What price could you pay for a changing your destiny?
What price could you pay for a changing your destiny?
What price, price, price could you pay for a changing your destiny?
What price could you pay for the freedom from society?
What price could you pay for a changing your destiny?
What price could you pay for a changing your destiny?
I say...

What price could you pay for a changing your destiny?
