

Well, life's disgusting
Means nothing fantastic
John Wayne so great
Mel Gibson he's against the law, a law, a law, a law...

Well, life's disgusting
Means nothing fantastic
John Wayne - so great
Mel Gibson - oh, he's against the law, a law, a law, a law, law
...

Well, life is a game of business, I don't know why
Life means nothing at all, so I can die
Life is a game of business, I don't know why
Life means nothing at all, so I can die

As well, as well, as well, as well, as well
As well, as well, as well, as well, as well
As well, as well, as well, as well, as well
As well, as well, as well, as well, as well

Well, life is a game of business, I don't know why
Life means nothing at all, so I can die
Life is a game of business, I don't know why
Life means nothing at all, so I can die

As well, as well, as well, as well, as well
As well, as well, as well, as well,
As well, as well, as well, as well, as well
As well, as well, as well, as well, as well

Life means nothing at all, so I can die
As well, as well, as well, as well, as well
As well, as well, as well, as well, as well
