

Be Right Here

Kungs

When the lights gon' down, and the stars come out
I'll be right there, I'll be right there
When the lights gon' down, and the stars come out
I'll be right there, I'll be right there

I'll be here for you
When the star go, on the water
And you can't paint
I'll be here for you
When it's past three, in the morning, and you can't sleep
I'll be here for you
When your heart breaks, when you lose faith
Yeah, I promise
I'll be right there, I'll be right there, I'll be right there

(Go on, it's over)
(Go on, it's over)
(Go on, it's over)
(Go on, it's over)

For the stark out, on the water
And you can't breath
I'll be here for you
When it's past three, in the morning, and you can't sleep
I'll be here for you
When your heart breaks, when you lose faith
Yeah, I promise
I'll be right there, I'll be right there, I'll be right there

Oh!
(Go on, it's over)
(Go on, it's over)
(Go on, it's over)
(Go on, it's over)

When the lights gon' down, and the stars come out
I'll be right there, I'll be right there
When the lights gon' down, and the stars come out
I'll be right there, I'll be right there

I'll be right there
