I'm taking my losses, same way I'm taking my wins  
I'm taking the good with the bad, I know who my foes, I know who  
my friends  
I'm barely speak to my dad, I know what it ain't and I know what  
it is  
I got away from them crabs, they want see me dead, don't want me  
to live  
They want see me dead, don't want me to live  
My apologies for everything I ever did  
My apologies to don, if I felt like I ain't helping with his bi  
d  
My apologies to mom, it's taking forever to get you a crib  
My apologies to sis, I know I can give more than I give  
My apologies to britt, for all of them times I was hitting the  
lid  
For all of the times I was down on my dick, she was there I was  
broke, she be there when I'm rich  
So many nights I was late on the rent  
So many Christmases I couldn't get you a gift, that wasn't bout  
shit  
I meant what I said, I said what I meant, I had to stack up chi  
ps  
I had to go full throttle, I had to overcome all of my problems  
I had to go full throttle, dawg I was finding myself through a  
bottle  
Ripping this bitch out the plastic, like she was brand new, lik  
e she was Latto  
Use to be rocking them Stan smiths, I had the polo, I had the j  
oggers  
I smoke a lil weed, and might pop a p, but dawg I ain't doing n  
o powder  
My tank was on E, I filled it back up, now I got all these hoes  
tryna holla  
Lamb trucks drive it. Stood on the block with my product  
Ok lamb trucks, drove it drive it  
Saint Mikey, all on my fleece, should I do Laurent, dawg I'm un  
decided  
I know these niggas don't like me but it's hard to hide it, just  
keep quiet  
I'm chasing this shit 'til I'm tired, I carried this shit like  
Mariah  
They kept telling me bro you got it, Celine on my hoodie, I'm f  
eeling inspired  
Thinkin' bout what transpired  
Monday I might crack a smile, Tuesday I might end up crying  
Wednesday I might take a loss, Thursday I'm back to grindin'  
Friday I'm back to trying, right on the charts where we climbin  
,

I had to wait two years, I know it's all about timing  
I went and copped new gear, if I want it I'ma buy it  
I got this down to a science, know if you crack it, you buy it  
I got rid of weight like a diet, the city is mine, I'm a giant  
I'm fleeing these bitches that's eyeing. They pressing me like  
I was Ryan  
Dawg keep trying, no matter what, no matter what you go through  
Dawg keep trying, no matter what, no matter what  
Keep trying, no matter what, no matter what you go through  
Dawg keep trying, no matter what, no matter what
