I see how Jay Spitta talking down on me
I remember back when she said she was down for me
Hopped on the L and rode underground for me
She got right off at Frankford and she waited there for me
It was pouring raining but you made it there for me
I seen how you switched and you changed that's corny
But scratched that I let my cash talk when I'm in Barney's
I gotta get back to that Kur who lived poorly
Crib bought it, rain pouring, ribs showing true story
Got lazy stopped recording got distracted got glory
I miss Reem all this foreign, I'm on my mind when I'm performin
g
Don mom hit me said she seen the vid where I was touring
And she said that she was proud cause she knows what I endured
And I know she ain't forget when I was sleeping on the floor
Don was on my house arrest I use to take trips to the store
Four years later lil Al died outside that store
I remember it was M that gave me the name Kur
It be kids outside niggas come and spray the court
More paranoid than I was gotta stay on point
I ain't trippin knew it wasn't love fuck it blaze the joint
Yeah that shit get them niggas hype but I don't see the point
I was walking to my trap low on cash taking coins
I was steady dropping tracks building buzz making noise
Can't diss every nigga dissing just gotta ignore
Done two 15s round my way looking for more
If it all go left around my way I'm still that bul
It was nice I was depressed man I'm thinking bout my boy
And it seem like I got money that I can enjoy

Seems like I got money that I can enjoy
Seems like, seems like
Seems like I got money that I can enjoy
Seems like, seems like
Seems like I got money that I can enjoy
Seems like, seems like
