

Everything Up

Kur

The price on every(79)
Put a price on every (Vernon Road)
Price on everything, yea
Yea, the price on (yea)

The price on everything up (yea)
The price on everything up
The price on everything up in the streets
The price on everything up (real talk)
For 30s these niggas is charging a bean
The price on everything up (goddamn)
Price on everything up in the streets
The price on everything up (ah)
Lotta these bitches went up on they fee (uh)
The price on everything up (uh)
The price on everything up
The price on everything up
The price on everything up in the streets (yea)
The price on everything up
The price on everything
Everything up in the streets

Ain't on my level I'm turnt I'm a beast, this whole time I been dropping heat (real talk)
Ay give me 30 I just left the reef, I took this lil bitch out to eat (yea yea)
I fucked then she asking me for Chanel sneaks, I gave her the money said leave (rd yo)
As far as 15s its 50 a piece, as far the lean it's hard to find (uh)
As far as the weed them niggas finessing, you open it up and that shit be de bris (cmon on)
Grinding it up need a crib by the beach, prices is high and it's real in the streets (yea)
Love getting high help me deal with my grief, this 79 we ain't dealing wit greed (ah)
Spent all my money on shit I ain't need, some nigga hot but ain't hotter than me
I spazz whenever I hop on the beat, clash wit niggas wit fake energy
Rapped for years ain't make all this cheese, looked up to niggas was taking they lead (cmon on)
Uptop in me I ain't wanna leave, I gotta take this shit farther and see
Got my second chance (got my second chance, shit Imma be smarter you'll see)

The price on everything up (yea)
The price on everything up
The price on everything up in the streets
The price on everything up (real talk)
For 30s these niggas is charging a bean
The price on everything up (goddamn)
Price on everything up in the streets
The price on everything up (ah)
Lotta these bitches went up on they fee (uh)
The price on everything up (uh)
The price on everything up
The price on everything up
The price on everything up in the streets (yea)
The price on everything up

The price on everything
Everything up in the streets

All of the prices high, I got my mics [?] (real talk)
Niggas tote pipes and die (cmon)
Bitches ain't right they lying to niggas, if it ain't that she a spy (damn)
Uptown I know somebody wit em, they got 15 but want 55 (no shorts)
What held me back it was pride, I had your back and I tried (ah)
Put on my tax and it's high, niggas get lapped cause I grind (yea yea)
Knew I would snap when it's time, look how they act when you shine (ok)
Bite out your back and they smile, high off the pack in the clouds (what)
80 a eighth it was loud, rest in peace Reemo we proud
This one for Jeezy and Al, [?] Imma smile (ok)
[?] I'm in style (ok ok)
You wanna P get it now, bitches they all wanna check I just wanna fuck so fu
ck it I'm done

The price on everything up (yea)
The price on everything up
The price on everything up in the streets
The price on everything up (real talk)
For 30s these niggas is charging a bean
