Hood nigga, I just had lunch in Manhattan
Got it now, I ain't window shoppin', I'ma grab it
Hood nigga, I ain't with the talkin', I'll blast you
Hood nigga, trap boomin', I ran out of baggies
Right outside the chinks I was posted with my ratchet
Grannie said for it'll get better if you trap it
I put money over bitches, money make me happy
I just popped another ziggas now I'm on my athletes
Ring let me hold the prints, highest shit I crashed it
Bitches hoppin' on my dick, they know I ain't average
'Member when I wanted kicks, savin' up to grab 'em
Moms seen me in them kicks, knew I was trappin'
'Member when I hid my shit right under the mattress
'Member when she found it, she was yellin', she was snappy
Got it how I got it man, I had to make it happen

Junkies in the crib had me nervous to get rest
If you ain't movin' right then you know you gettin' left
Only person I fear is me, myself
Codeine fuckin' with my stomach, shit I need my health
Me and Kur on the same old shit
Went back to the 'jects, bustin' checks with the same old bitch
Remember niggas used to laugh, I had the same old kicks
Philipe money, I'm in Harlem eatin' the same old fish
I got a cousin doin' a life sentence
Del Frisco's with white women
Seat back smokin' the life [?]
It's hard to be Derek Jeter in the 9th innin'
Cuban cigars, Vuitton shades, and white linen
I could get used to this, trust me nigga I like winnin'
I could get used to this, trust me nigga I like winnin'

Comin' from the bottom, tryna stay rich
Pop another pill, I'm faded
