

# Granny House

Kur

My bitch just left me and told me  
She bout to find somebody else and I don't give a fuck  
I [?] nigga of everything  
I took there last and I don't give a fuck

We sold the drugs out of granny house  
We was fucked up, we was down and out  
Now we got hoes full of cameras out  
Can't wait till I put the phantom out  
Can't wait till I put the Rari out  
Can't wait till I put the panty out  
Bitches they not understanding me  
How the fuck they understand me now  
Maybe cause all of this money real  
Maybe cause all of this money real  
Maybe cause all of this money real  
Maybe cause

We sold the drugs out of granny house  
We was fucked up, we were down and out  
Now we got hoes full of cameras out  
Can't wait till I put the phantom out  
Watching the game on the 60 inch plasma  
I do it for times I did not have no cable  
All my life I had to sell nicks of reggie  
I just grab some [?]  
Come to think of it I never been faithful  
Been dogging these hoe, drinking that syrup  
Not talking bout maple, talking bout shit  
That's the color of jelly you put on a bagel  
Let me get back on my stupid shit  
FN it came with the cooling kit  
Pussy I'm not with the foolish shit  
You will get smoked just like hookah bitch  
I came to [?] then I go  
Everybody knows that I'm nice with the flow  
You worry bout bitches and I worry about money  
Fuck all these bitches, they come and they go  
Niggas can say what they want bout a nigga  
But nobody can touch me and that's how I'm rocking  
All of these rappers they shade on they nigga  
Maybe cause your nigga young and he popping  
We had the darkest, we had to bury  
We were like twelve on the corner went options  
We had the [?] out the traffic  
We had the pistol when popping

We sold the drugs out of granny house  
We was fucked up, we was down and out  
Now we got hoes full of cameras out  
Can't wait till I put the phantom out  
Can't wait till I put the Rari out  
Can't wait till I put the panty out  
Bitches they not understanding me  
How the fuck they understand me now  
Maybe cause all of this money real  
Maybe cause all of this money real

Maybe cause all of this money real  
Maybe cause

We sold the drugs out of granny house  
We was fucked up, we were down and out  
Now we got hoes full of cameras out  
Can't wait till I put the panty out  
Rap shit, fuck all this rap shit, fuck all this rap shit  
Stuck in the trap shit, we were stuck in the trap shit  
We like fuck all this rap shit, fuck all this rapper shit  
Fuck all this rapper shit, nigga fuck all this rapper shit  
Fuck all this rapper shit, fuck all this rapper shit  
Fuck all this rapper shit  
My bitch just left me and told me she bout to find somebody else and I don't  
give a fuck  
Fuck all this rapper shit [x2]  
I find this niggas I took they last and I don't give a fuck  
Fuck all this rapper shit

We sold the drugs out of granny house we was fucked up we was down & out
