

## Jokes On You

Kur

Just when you thought that the joke on me turned it around now the joke on you  
Carried the fam and turned into a man and did everything that I'm supposed to do  
Go yard luggage I'm taking a trip go yard book bag holdin' the blue  
I'm not the rapper to jump on your dick when I see you finally start making moves  
I'm not the type let it get to my head, but it had got in my head  
I improve, waking up. I couldn't get out the bed. Remember the mornings when I had the blues.  
Remember the morning my tank was on E, I just needed a hug, but I ain't have the fuel  
Carried this shit like a motherfucking mule, karrahboo dog. I'm the one not the two

Terrible how many broke up the crew, terrible how niggas go through their downs  
They run out of money and then blame it on you  
Terrible. Look how I'm running the town, but I couldn't run with the niggas.  
I knew, rumors they quick to run with it they don't even care who they hurting or care if it's true  
Pumas I used to run them, I gave you 8 for 15 back when I had the blues  
Niggas they couldn't walk a mile in my shoes been hurt been used and also abused  
House shopping I had thought. I had found me the house, but it don't got a pool  
Look at me picky when I started off in a house and it didn't have food  
I'm staying grounded. I thought I lost that shit too, but I found it  
If it ain't thorough then fuck it I don't even wanna be around  
Don't wanna be near it, shut up the money is calling I hear it  
The pain I put in my lyrics, it help me get to the commas period  
She wanna nag I don't wanna hear it. I took her to Wine and spirits  
Everything top of the line she said she want her a bottle with don  
Grabbed her a bottle with don, now she want hookah she outta her mind  
Grabbed her a hookah now we are on our way to the room, it's 8:45

Just when you thought that the joke on me turned it around now the joke on you  
Carried the fam and turned into a man and did everything that I'm supposed to do  
Go yard luggage I'm taking a trip go yard book bag holdin' the blue  
I'm not the rapper to jump on your dick when I see you finally start making moves  
I'm not the type let it get to my head, but it had got in my head  
I improve, waking up. I couldn't get out the bed. Remember the mornings when I had the blues.  
Remember the morning my tank was on E, I just needed a hug, but I ain't have the fuel  
Carried this shit like a motherfucking mule, karrahboo dog. I'm the one not the two

Niggas be caught in a lies. Then when you peep it, they acting surprised.  
I know I'm one of a kind kept that shit going was try after try, dog  
It was fell after fell. Kept that shit going was L after L  
My nigga T in the Rarri, when I seen that thought I made it myself  
You know I'm playing for keeps don't need you to vouch. I play by myself  
KUR you that nigga and you gonna get it and that's what I say to myself

Niggas show envy and niggas be bitter and that's why I stayed to myself  
Lotta these young ones got 20 to 50 because they didn't think for they self  
Gotta be careful when you think you playing, cause you could be playing your  
self

These niggas want me to need em, but I didn't need em, I bank on myself  
I'm thanking god, and thanking the fans, and then I was thinking myself  
Back n forth, I'm hoppin' out of a Beamer, I feel like I really need help  
I started playing the card I'm dealt, I grabbed it right off the shelf  
Sign to a label with all your art, then they put you on a shelf  
Fuck it we keeping it rolling, I had to watch everybody with motives  
I'm dealing with grief, on top of that, I'm still trying to stay focus  
Never get caught in a moment, I kno that shit just a moment  
If you my brother my homie, then I got no issue to loan it  
Wait, loan it? I wouldn't even want that shit back, nigga I got ya back  
The train was moving, but it's some niggas that's on the wrong side of the t  
rack

If it ain't bout money then u holla back, I mean it ain't no problem with th  
at

It ain't no problem with this, she lulu the fit, her ass is fat  
Smacking and grabbing that, I'm on round two, and I'm back to back  
I was the back they stabbed, back to back to back to back!
