

## Lets Keep It A Bean

Kur

I already knew she wasn't gon keep it a bean  
We all gon be cool I promise I put that on Reem  
I'm on my block with woods lets keep it a bean  
Kur take me to bust this jug lets keep it a bean  
Catch Kur still in the hood lets keep it a bean  
Sometimes the water more loyal than blood lets keep it a bean  
Sometimes the love ain't really love lets keep it a been  
Sometimes the pain get healed with drugs lets keep it a bean  
I think it's bout time that I turned it up lets keep it a bean  
I think it's bout time that I turned it up lets keep it a

I'm hearing they tracks the shit is just wack and I'm not impressed  
Sent her a uber suburban waiting outside the 'jects  
I'm coming from Vernon that's what I'm proud to rep  
The undies unwashed I trapped out grandma's steps  
Don't care if I'm popped I'm helping my man get back  
I split what I got I take this and my man get that  
After high school I didn't even plan to rap  
They looking like food them niggas get jammed for cash  
I'm not in the mood to chill with niggas that rap  
Not in the mood for bitches cause I'm getting back, I'm getting back  
Somedays its slow somedays its fast this is the trap  
Somedays its slow somedays its fast this is the trap  
Somedays its slow somedays its fast this is the trap

I already knew she wasn't gon keep it a bean  
We all gon be cool I promise I put that on Reem  
I'm on my block with woods lets keep it a bean  
Kur take me to bust this jug lets keep it a bean  
Catch Kur still in the hood lets keep it a bean  
Sometimes the water more loyal than blood lets keep it a bean  
Sometimes the love ain't really love lets keep it a been  
Sometimes the pain get healed with drugs lets keep it a bean  
I think it's bout time that I turned it up lets keep it a bean  
I think it's bout time that I turned it up lets keep it a

I'm bringing it home I eat with my brothers  
That slept on the floor them nights in the gutter  
Now me and Lil live down the street from each other  
I'm taking this P imma sleep a lil better  
Balcenci my feet, my sneaks a lil better  
You tryna make peace that don't make it better  
They thinking its sweet so I got this [?]  
They want some beef this shit don't even matter  
Bitch wanna slide I sent her the addy  
Niggas got robbed cause niggas is crafty  
They must of fell off cause her friend is happy  
Niggas can't do nothing flow is too nasty  
I'm from uptown the whole uptown gon back me  
Niggas was buying loose seeds out the napkins  
Niggas gon try to shoot me if I'm lackin  
Can't let this music shit leave me unhappy  
Can't let the stupid shit come and distract me  
Bitches they usually quit that's how it happen

We quick to shoot it up it ain't no rapping  
Finally I'm moving up look how it happened

My niggas moving I don't gotta ask em  
Ain't moving backwards learning and grasping  
Don't know I'm asking smoking ain't passing  
Don't ever ask me, nigga don't ever ask me  
If you in the streets of philly then get you a ratchet  
Get you a ratchet, if you in the streets of philly then get you a

I already knew she wasn't gon keep it a bean  
We all gon be cool I promise I put that on Reem  
I'm on my block with woods lets keep it a bean  
Kur take me to bust this jug lets keep it a bean  
Catch Kur still in the hood lets keep it a bean  
Sometimes the water more loyal than blood lets keep it a bean  
Sometimes the love ain't really love lets keep it a been  
Sometimes the pain get healed with drugs lets keep it a bean  
I think it's bout time that I turned it up lets keep it a bean  
I think it's bout time that I turned it up lets keep it a
