

# Never Before

Kur

Started out hustling OZs  
Young niggas muscling OGs  
Mixing the purp with the codeine  
I'm feeling like I'm a OD  
I'm feeling like I'm the old me  
Never let money control me  
Only good pussy console me  
Tell her swallow me up for your protein

Now we getting this money, my niggas is balling  
Like never before, like never before  
And now that we on it, these bitches is fucking  
Like never before, like never before  
We get to that paper, and get those hoes later  
But never before, but never before  
They said we wouldn't make it, but now we the favorite  
Like never before, like never before

Fuck what you heard my nigga, I'm on the curb my nigga  
Like never before  
Selling the birds my nigga, get served like church's chicken  
Like never before  
I know you heard my nigga, I got the work my nigga  
That you told them people bout shit that's illegal  
That's only gone lead to a murder nigga, get murdered nigga  
I been out clocking since 8, money what's coming my way  
Hey, hey, tucking my gun on my waist  
I give a fuck bout a case

All these hoes got ulterior motives  
Me and D-Jack in his Wraith doing donuts  
I keep on pouring purp all in the soda  
Bitches be on me, this shit 'til is over  
Got on these Masions, hoes call me a mason  
Listen, bitch I am not into dating  
I'm just into fucking, are you into sucking?  
Are you into chasing? I just want to break you down  
We had the pills and the reggie, we'll break it down  
Undies was stankin' out, we move that pack  
We did not fucking hesitate, we was not wasting time

Now we getting this money, my niggas is balling  
Like never before, like never before  
And now that we on it, these bitches is fucking  
Like never before, like never before  
We get to that paper, and get those hoes later  
But never before, but never before  
They said we wouldn't make it, but now we the favorite  
Like never before, like never before

I'm in Los Angeles  
I'm having thoughts about jamming shit  
So tired of scrambling, not a good arguer  
Not with the back and forth, we leaving shit candle lit  
And if it's a problem, I know how to handle it  
I'm not into panicking, rappers be pussys  
I'm bout to extort em and rob all they cameramen

My bitch got pretty ass feet, got the double C on em  
Her sandal shit, buy her this brand new shit  
I'm tryna milk her for 35 hundred, the re-up on ammo shit  
Tryna throw keys like piano man, they took my flow and they ran with it  
Don't understand this shit  
I don't give a fuck about nothing my nigga  
We really was down and shit  
If it's a problem you know I'm right at you  
We leaving shit stiff as a statue  
I'm in LA and I'm chilling with Meek  
This nigga's house got a motherfucking chapel  
So, we swerving all in this Bent  
Oh, the guts it look like an apple  
Wow, I got this MAC and it's full  
Just in case they try to tackle
