Sandwich bag full and I got it tucked  
It was all cool til my flow was touched  
Dished one of these off and I got back up  
Used to sell tree I was in a rush  
Used to hide tree that was in the bush  
Head full of peas used to need a brush  
Grabbed these QP's and re'ed right up  
This shit is easy I'm steaming up
