

Smokers

Kur

Promises got broken and my house was full of smokers
Mom and her friends smoking it was 10s now its 30s
Had my doses now I'm floating
Bitches joked I had an odor
New approach I'm getting notice should I smoke and keep on smoking
And I hope to keep it going I was posting till it's gone
Wasn't feeling out no form giving three for 25
You can hear me on my horn
Me and niggas by my porch
Come natural I don't force
Head nappy still boul
Bust traps black tourist
Stomach growl [?]
And my style ain't normal fuck behind go forward
I'll be fine I endured it
Primetimes is my stories
Hard times I'm avoiding
Dimes of hard to the oils
10 dunt they gon pull us
It was dark dodging bullets
At the park with the bullies
Use the park don't you push us
Rip them off he a rookie
Can't walk smoking cookies
Niggas over talk for pussy
When I grabbed they had to push it
I was mad cause they looking
Said shit aw they ain't book me
I ain't tripping keep it pushing
In my bag I'm cooking
These crabs keep pulling
Smoke gas I'm cooling
Move fast getting to it
Needed gas in the buick
Wasn't thinking bout no jewelry
Saving paper for a lawyer
Wasn't tryna get sentenced forty
Free Tommy that boy
Know my family disappointed
Made my choices I was wrong
Paranoid so I hate when niggas walking towards me dog
Tryna nervous I think niggas tryna pull beside the car
Moving careful I think bitches gon line me I ain't wrong
Had grams use to take me like a day to get it all
Eat bologna sandwich in the dark lights got cut off
Better off without that bitch and I'm glad we fell off
I'm from Sharpneck [?]
Niggas strong or I'm runnin off tryna see tomorrow
I was tryna heal scars buy zans, grab bars
Can't remember I was on how I end up here I'm drawin
I don't even know her woke up at her house around morn
Can't lie when I move into my spot had I moment
Wanted to cry for all the time when he was off and it was snowing
On my grind imma heat up I know imma get my moment
Got a plan I'm focused 4 grams I'll smoke it
4 grams
Got a plan I'm focused 4 grams I'll smoke it
