

The Game

Kur

I don't really give a fuck if all them niggas go against me
I ain't buyin' what you sellin', it's too late, you can't convince me
(Shut up, Dev, just shut up, straight up, real talk)
Narcotics, heart throbbin', at the park grindin' (Ew)
I'm the right nigga for it, it's the wrong timin' (Come on)
Crack rock, back block, now it's Star Island (Ew)
Star Island, I was pullin' up, I start smilin' (I see you)
Don't need a battery in my back to start wildin' (Fuck?)
I'm super grateful, it been a while since my card declinin' (Ew)
Got through the hardest timin' (What?), so used to tap water (Ew)
My youngest sister think I left, I'm comin' back for her (Damn)
I can't complain when I'm stressed, 'cause I asked for it (Ew)
I know life a test, spent a lot of nights depressed (What?)
I ain't start off as a boss, now I write the checks (Come on)
It's a bittersweet feeling, but I like success (Ew)
It's a couple that I fuck with, I don't like the rest (Damn)
They don't get the hype I get, that's why they upset (What?)
I ain't trippin' off of love, but I'ma get respect
I don't trip on what it was (Yeah)
Lonnie Young, 2010, focused on the Golden Gloves (Huh?)
I had stopped walkin' in my meetings loaded up (What?)
I had stopped walkin' in my meetings loaded up, sobered up (Hold it up)
I hope all my niggas hold me down, don't hold me up (Yeah)
Yeah
Hand-me-downs, I used to ask Abdule for his button-up (Come on)
It was baby blue, I ain't sellin' out, I'm stayin' true (Real talk)
Havin' deja vu, I been here before, but this ain't new
I just walked inside the venue, ayy, what's crackin'? What it do? (What?)
Everybody got opinions, they gon' say what they would do
It's like my heart ain't how it was, I mean, what happened to you? (What happened?)

Think it's the game, I just think it's the game
Think it's the game, I just think it's the— (Yeah, yeah, yeah, yeah)
Think it's the game, I just think it's the— (Yeah, yeah, yeah, yeah)
Think it's the game, I just think it's the— (Yeah, yeah, yeah, yeah)
Think it's the game, I just think it's the game (Yeah, yeah, yeah, yeah)
I just think it's the game, I just think it's the— (Yeah, yeah, yeah, yeah)
I just think it's the game (Yeah, yeah)
I just think it's the game, I just think it's the game (Yeah, yeah, yeah)
Think it's the game, I just think it's the—
I just think it's the game (Yeah, yeah, yeah)
Think it's the game, I just think it's the— (Yeah, yeah, yeah)
Think it's the game, I just think it's the game (Yeah, yeah, yeah)
I just think it's the game, I just think it's the— (Yeah, yeah)
I just think it's the game (Think it's the—)
I just think it's the game (Yeah, yeah, yeah)

They like, "What happened to you?" (Damn)
Think it's the game
(Shut up, Dev, just shut up), uh
