(This Is) No Entertainment

what do i stand here for? what do you expect? you want a master plan? a call to arms? a manifesto?

no, you'll get nothing like this
it's just my trying to act my anger

my anger - not the revolution
my inner struggle - not yours
(laughing, crying, screaming)
my anger - not the revolution
my war - not the world's
(smiling, dancing, fighting)

i just try to express my feelings i don't care what you say, i just try to express my feelings our hearts don't beat 1, 2, 3, 4 hardcore ? honesty ? expression of feelings

sometimes all this feels so senseless like standing on stage, entertaining a crowd that has come to dance and doesn't give a f**k about what we really feel about our songs this is no entertainment! this means so damn much to us

emotion is life we need more love songs in hardcore
