

# Bless Somebody Else (Dorothy's Song)

Kurt Carr

Because I'm blessed  
Help me to bless  
Somebody else  
Somebody else  
Bless somebody else

I know, I know, I know  
God has been faithful, every day  
And I believe, I believe, I believe  
God's hand is on my life

God has proven that He's faithful  
For eternity I will be grateful

Blessed with so much  
How can I keep it all to myself  
Lord I promise  
Every time you bless  
I'm gonna bless somebody else

Because I'm blessed  
I've got to bless  
Somebody else  
Somebody else  
Because I'm blessed  
Help me to bless  
Somebody else  
Somebody else

Because I'm blessed  
I've got to bless  
Somebody else  
Somebody else  
Because I'm blessed  
Help me to bless  
Somebody else  
Somebody else  
Bless somebody else

I want my life  
To bless somebody else  
I want my life  
To bless somebody else  
Lord use my life  
To bless somebody else  
To inspire somebody else

Lord send the harvest  
Everytime You bless  
You can trust me, trust me  
To bless somebody else  
Lord send the harvest  
And everytime You bless  
You can trust me, You can trust me  
To bless somebody else

Lord send the harvest

And everytime You bless  
You can trust me, trust me Lord  
Lord send the harvest  
And everytime You bless  
You can trust me, You can trust me  
To bless somebody else

Lord send the harvest  
And everytime You bless  
You can trust me, You can trust me  
To bless somebody else  
Lord send the harvest  
And everytime You bless  
You can trust me, You can trust me

Because I'm blessed  
I've got to bless  
Somebody else  
Somebody else  
Because I'm blessed  
Help me to bless  
Somebody else  
Somebody else

Lord send the harvest  
And everytime You bless  
You can trust me, You can trust me  
To bless somebody else
