

Narration

Kurt Carr

Very few things on this Earth function as God plan them
He made a covenant with us and created a beautiful world for man
to dwell and dominion in the beauty of holiness
Yet, in the garden, he broke the covenant with God
And ever since then. it seems like honesty, loyalty, and commitment
are so hard for man to accomplish
Even in the body of Christ, these attributes seem to be almost
lost
Oh, but I'm reminded of this scripture that says, God is seeking
for someone who will worship him in spirit and in truth
And that's my quest everyday
God, I want to be true, I want to be real
Even when I fall and I mess up, I want you to know that I'm gonna
repent and get up and say, God, use me again
God, receive my praise again
My lifelong goal is to be true to you
Despite what this world does, I won't follow trends, I'll follow
you
My heart desires to be true to you
