

We Declare War

Kurt Carr

Every believer all over the world wake up and realize, Satan is
busy
destroying the world right before our very eyes, our children are
killing
our children guns and knives terrorize our schools, we can't just
stand
here we can't accept this, there's only one thing left for the
believers to do

[Chorus]

We declare war against the enemy he is defeated Satan's under our
feet
we cannot lose with the Lord on our side Satan this is it we're
tired of
taking it Satan we declare war

The enemy is cunning and his strategy is sure on this you can depend
the devil hates it when we glorify God he wants us to glorify him
that's why our music is losing its power, worldly influence is
making it sour
there's no gospel there's no anointing we cannot let this happen in this
critical hour

[Repeat Chorus 1x]

[Bridge:]

Stand fight rise up

[Bridge 2:]

Blow the trumpet in Zion Zion [2x]
he is defeated the devil is defeated [2x]
blow the trumpet in Zion Zion [2x]

[Bridge 3:]

Stomp stomp stomp stomp stomp on the devil [4x]
he is defeated the devil is defeated [2x]
I've got the victory I've got the victory [4x]

Satan this is it we're tired of taking it Satan we declare war
