

Beans

Kurt Cobain

Beans, beans, beans
Jessie ate some beans
He was happy, happy, happy
That he ate some beans

Sitting naked, naked
Sitting cross legged
Naked, naked, naked
And he was happy, happy, happy
That he ate some beans

Wine, wine, wine
Jessie ate some wine
He was happy, happy, happy
That he ate some wine

Beans, beans, beans
Jessie ate some beans
And he drank some wine
And he was happy, happy, happy
That he drank some beans
