Kurt Cobain

[Verse 1]

And my timing's on time and I'm not to be had in May
I'm afraid, I'm outta time
She never just laugh and laid
And I'm buying some tests and some rosen's ham and more
I'm not the one to blaze and making complaints and I'm not insane, oh no
Now it's time to be changing as some mashing home
It's the comenest name in the other book and I'm not riding pla
ugerisium so it's not true

[Chorus]

Yahah
Desire
Yahah
Desire
Yahah

[Verse 2]

And I'm outta time
Some problems relay on you

And her love is insane, yohoo
Her love is a blaze, I have to go away from you
Listen to me, [?]
And sometimes I'd never ride with you
And sometimes [?] from you

[Chorus]
