

## Never My Love

Kurt Elling

You ask me if there'll come a time When I grow tired of you  
Never my love Never my love

You wonder if this heart of mine Will lose its desire for you  
Never my love Never my love

What makes you think love will end When you know that my whole  
life depends On you (on you)

Never my love Never my love

You say you fear I'll change my mind And I won't require you  
Never my love Never my love

How can you think love will end When I've asked you to spend yo  
ur whole life With me (with me, with me)
