

## Yeah Bones

Kurt Vile

(1, 2, 3, 4)

When nobody calls you on the phone  
Don't break your bones over it  
You'll only leave yourself lonesome  
To show for it  
When nobody calls you on the phone  
Don't break your bones  
Dyin' dead in a black sea of tears over me

When you're runnin' on the run  
But you run, run too far [?]  
Deep in the country while cats get shot at  
When you're runnin' on the run  
But you run too far  
[?] rednecks with the shotgun shell (blast!)

When nobody calls me on the phone  
Won't break your bones over it  
I don't leave myself lonesome  
To show for that  
When nobody calls me on the phone  
Won't break your bones  
Dyin' dead in a black sea of tears over me  
(Over me, over me, over me now)  
(Over me, over me, over me now)  
(Over me, over me, over me now)
