I was trained for terrain  
Fire for the flame  
Fitted four full a cocaine  
Blocks from the cops  
Served in the word  
Curved in the sherm and it spread like germs  
Simple in the middle make them giggle like hoes  
Wiggle like worms  
What makes this different from that  
Acquiped to hit like whipple ball bats  
But I'm a talent and I style it how I wanna style  
Phrase it how wanna phrase  
Verbal amazing, energetic, poetic I see you just like I tell it  
Pricings a relic amazing I package you then sell it
