

I'm The Man

Kurupt

[R:]

Stay kickin line stay up in the streets homie I'm a beast,
and I keep the four five ride up on the side ride up on me you gonna
die

Cuz I

I

Yea I

I

I

I

I'm the mothafucking man

Do this shit cuz we can

Hotter than the sun in Sudan

Japan all the way to Iran

A lil something something for the fans

Oh so comfortably planned

Comfortably planned to expand stick to the script I can't

Cuz I'm that motherfucking man

Holocaust through apostle I preach the poetry gospel I speak ali ali
a something awful

Homie you wack you weak and you wack I seek and I clack

It seeps thru your back

React and get clapped gotti tsunami this is natural hostile kin and k
akra and proper I gotchu

Hey whats up man!?

Where you at homie?

Its only me myself and I by my lonely

[R]

Standing in my d boy stance hooked of off just one glance the artery
hatic romance take your vail and just a slance lil chance

Pushing the fine line to advance I push a fine line cuz I can

Stick to the script I can't

Suicidal with vital I'm the man

Super shooter recruiter lethal death and equal squeeze the ebenezer g
ain cold and then freeze it savage wreaking havoc

I gripping and grab it I stick and I stab it

I'm in it for the cabbage

The cabbage and thats it Gotti tsunami Sinatra hostile kin and kaka a
nd proper I gotchu hah

And homie I gots to be shooting star status apparatus apostle

We

[R]

Man niggas better know that you smell the smoke you can see where the
ho's at jewels

Iceberg cool blue call them snowcap fresh threads getting bread count
ing more stacks

Pay this ho that the remy in me keep me mellow

Talking that jazz get you all heavy metal
Ride up on the side run up on me you gon die
Cuz I yea I I I'm the motherfucking man
I'm the motherfucking man
