

What Can I Do

Kurupt

What can I do (what can I do)
To make my life secure (secure)
More precious than silver, more precious than diamond rings, or anything

What can I do (what can I do)

I like to pay ma bills and run through the hills
See you gotta trust me, you already know about me
You know I'm G'd up, so you ain't gotta doubt me
An I ain't gotta prove, an you ain't gotta prove
A damn thing to me, but just enjoy the movie
You down to move with me, or are you out to get me
She say ima move with ya, an I ain't out to get ya
I said I'm cool with ya, it sounds like a plan
Ima roll with ya, I got ma heatin hand
So you know you protected, don't worry mama
Been from round d corner, in a navy blue impala
She sex her ass to get money, but I don't really care
She laughin like I said som'n funny, but I don't really care
Just ride with me, that's all I really ask
As time pass, present, past, that's all I really ask
