

# Waiting

KUURO

Seek me out, hear me shout "Come get it"  
Don't you simmer down, right now  
Want you acting like you're in the wild  
Old style give me no doubts  
Dum-da-da-deh-da-dum  
Let me know what you want (Hey)  
Your dark desires in your thoughts (Oh)  
You can hunt me like a sport now (Hey)

I got a cold heart but I'm running hot  
I'll let you cut in that line if you want the spot  
When you're ready, baby come get it  
You better work hard, what'cha you waiting for  
I'm not a domino boy but I'll take the floor  
When you're ready  
Oh baby come get it, oh

Oh, oh  
Run, run, run  
I'm waiting  
Oh, oh  
Come, come, come, come take it  
I want you to be my entertainment  
Oh, oh  
No, no, no  
Don't keep me waiting

Midnight, locked eyes  
Looking like you got an invite  
Alright, maybe we should take this outside  
Skin tight in the moonlight (Oh)

I got a cold heart but I'm running hot  
I'll let you cut in that line if you want the spot  
When you're ready, baby come get it  
You better work hard, what'cha you waiting for  
I'm not a domino boy but I'll take the floor  
When you're ready  
Oh baby come get it, oh

Oh, oh  
Run, run, run  
I'm waiting (I'm waiting)  
Oh, oh  
Come, come, come  
Come take it (Come take it)  
I want you to be my entertainment (Entertainment)  
Oh, oh (Oh)  
No, no, no  
Don't keep me waiting

Chains react, feel a shiver running down your back  
Giving you a whole body attack (Ahh)  
I run the game and it's your turn to play now (Your turn to play)  
This or that, doesn't matter, we'll go tit for tat  
We can do it all and circle back (Oh)  
Time for you to take it all

Oh, oh (Oh)  
Run, run, run  
I'm waiting (Waiting)  
Oh, oh (Oh)  
Come, come, come  
Come take it (Come take it)  
I want you to be my entertainment (Be my entertainment)  
Oh oh (Oh no, oh)  
No, no, no  
So don't keep me waiting (Don't keep me waiting)  
Don't keep me waiting, don't keep me waiting  
Ohh, no  
No-no-no-no-no, no  
So don't keep me waiting
