

Make You Mine

Kwabs

Been doubting my life
Waiting in the waves
Praying for the morning to leave him
Been out of my mind
Visions of the two of us
Crashing through me night after night

Talk about losing faith
I'm only in love for way
And don't tell your boyfriend you're lonely
Long as I'm on this earth
I promise he don't deserve you
I should be your one and only

Gonna make you mine
If it tears me into pieces
If it takes me 'til the end of time
Set your soul on fire, darling
Then you're burning like the Sun
'Til I can see the flames in your eyes
Make you mine, mine
Make you mine, mine, mine

Look in my eyes, tell me
That you shouldn't like a skin
But you're turning me some perfect creature
Oh and you lie
Cause my body will betray you
The more you talk
The more your star will start to show

Talk about losing faith
I'm only in love for way
And don't tell your boyfriend you're lonely
Long as I'm on this earth
I promise he don't deserve you
I should be your one and only

Gonna make you mine
If it tears me into pieces
If it takes me 'til the end of time
Set your soul on fire, darling
Then you're burning like the Sun
'Til I can see the flames in your eyes
Make you mine, mine
Make you mine, mine, mine

Talk about losing faith
You're hiding your heart away
It's only a matter of time
Make you mine, mine, mine
Gonna make you mine
If it tears me into pieces
If it takes me 'til the stars are fallin' out the sky

Gonna make you mine
If it tears me into pieces

If it takes me 'til the end of time
Set your soul on fire, darling
Then you're burning like the Sun
'Til I can see the flames in your eyes
Gonna make you mine
If it tears me into pieces
If it takes me 'til the end of time
Set your soul on fire, darling
Then you're burning like the Sun
'Til I can see the flames in your eyes
Make you mine, mine
Make you mine, mine, mine
